ACTIVITY #2: COLORING CROWN

MATERIALS

Picture of Water Crown
(provided)
Markers, colored pencils
and/or crayons
Scissors
Tape, glue or paste

INTRODUCTION

This activity is a fun way to get kids excited about Rev Your Bev Day by letting them imagine that they are Rev Your Bev royalty, because by the end of the day they'll be the authority on all things water. Kick off the day by having your kids color in their crown however they'd like and then help them cut out their crowns so they can wear them proudly throughout the day.

Bonus: it's a perfect time for a photo-op!

INSTRUCTIONS

1. Let your students know that today is all about water and how amazing it is.
2. Give each student a copy of the picture of the crown and allow them time to color it in.
3. Once the students are done coloring, they can either cut out the crowns themselves or you can cut out the crowns for them.
4. Size the individual crowns to each child's head and tape or paste the sides of the crown together.
5. Encourage the children to wear their water crowns all lesson long. But no, they aren't waterproof!
